MEASURABLE IMPACT

1 WHAT IS THE STUDENT LIFE READINESS PROGRAM?

A self-paced, digital program that builds essential life skills students need to succeed in college, in life, and beyond. It combines practical lessons, real-world tools, and reflection to drive meaningful student growth.

2 WHO IS THE PROGRAM DESIGNED FOR?

College and university students at any stage of their academic journey. It's ideal for first-year students, student-athletes, transfer students, and those preparing for life beyond graduation.

3 HOW DOES IT WORK?

Students access the program online anytime, anywhere. They move through 6 core modules at their own pace, complete activities, and track their progress throughout the experience.

4 HOW LONG DOES IT TAKE TO COMPLETE?

The program is flexible. Students can complete modules in as little as 20–30 minutes at a time. Most students finish within one semester.

5 IS IT MOBILE FRIENDLY?

Yes! The program is fully mobile optimized so students can learn, reflect, and access resources on any device—desktop, tablet, or smartphone.

6 HOW DO STUDENTS ACCESS THE PROGRAM?

Access is simple. Institutions receive a unique access code or link to share with students. No app download required. Just log in and get started.

7 DOES IT REPLACE ANY EXISTING PROGRAMS?

No. It enhances and complements what you already do by giving students practical skills they can apply immediately.

8 WHAT KIND OF RESOURCES DO STUDENTS GET?

Downloadable tools, templates, guides, checklists, and real-world resources that help students take action in their academics, careers, and daily lives.

9 HOW IS SUCCESS MEASURED?

We provide engagement data, completion rates, and outcome insights to help you understand student impact and support continuous improvement.

10 WHAT SUPPORT IS INCLUDED?

We provide onboarding, implementation guidance, a partner resource library, and ongoing support to ensure a successful partnership.

*Real Skills.
Real Confidence.
