Flexible Access & Delivery Models

Interior Essentials offers flexible access models to align with resident services, housing stability initiatives, and funding structures.

Housing partners may:

- Sponsor access for eligible residents through bulk enrollment as part of resident support or grant-funded initiatives
- Offer education as an optional, no-cost resident resource outside of the lease
- Provide access through welcome communications, portals, or resident resource libraries

Access models are selected collaboratively and do not impact lease terms, operations, or enforcement.

Disclaimers & Boundaries

This partnership:

- Is not a lease interpretation
- Does not replace property policies
- Does not provide maintenance instructions
- Is not monitored by property staff
- Does not collect or share resident data
